I LOVE DOGS!

As 2021 draws to a close, I pause to reflect on this journey around the sun and look forward to the future on the Winter Solstice. This year we brought three puppies into our community to work with our incredible puppy raisers. We matched and placed three Service Dogs in Training with their forever handlers, who have worked diligently with our certified service-dog trainers to pass the required exams to become fully working service dogs. MobilityDog works with 45 to 64 disabled individuals at our multiple weekly meetups every month with or without a service dog at their side.

First, we are PAWsitively over the moon to announce that MobilityDog is the proud recipient of the *Tasking Rain Beverage Company's Sparkling Ice Cheers to Giving 2021 Award.* We know that this award would not have been possible without everyone who took the time to nominate MobilityDog in September. Over 4,000 nonprofit organizations were nominated for this prestigious award. MobilityDog is one of three organizations awarded $50,000 to be used for our programs, community, and growth. *Click here for the press release!*

After reading about the Cheers to Giving Award in the online newspaper, *Pasadena NOW*, the Tournament of Roses' Senior Director of Community Relations was so impressed with the work we do that he offered us 100 tickets to the Rose Parade. Rozy the Poodle was drawn by DebDidier.com and will be our Parade Mascot.

The Board of Directors is thrilled to announce that Lonnie Seeger is our newest board member. He has a twenty-year history in product development and resource management. We are excited to welcome Lonnie to the Board of Directors and see him hit the ground running in January! Lonnie is raising a rockstar Service Dog in Training named Jake.

We are also thrilled to be part of PetFood Express Friends. *If you order your pet supplies and food using this link*, they donate 4% of the profits to MobilityDog. <https://petfood.express/?p=MBLYDG>

MobilityDog continues to affiliate with *Farm Fresh to You*. By using the unique promo code MobilityDog, we will receive 10% of your total spending at no additional cost to you! It is a win-win situation, you get a fantastic organic produce box and grocery items, and MobilityDog receives an ongoing donation! Use this link if you are a *new customer*. As we approach our 4th Birthday on *January 15th*, I am in awe of each of you and all that we have done, achieved, and become in our short tenure. Thank you to each of you for all you bring to our community. Your stories, your voice, your contributions, and your support make the magic happen. In the spirit of the holidays, I pause to reflect and express my sincere gratitude to each of you for making MobilityDog the solid organization that we are today.

In gratitude,

Janie Heinrich, Founder & Executive Director
