- Letter from MobilityDog as a back up
- Alert ahead of time of SD/SDiT
- SD/SDiT do not have to wear a muzzle on a boat in the USA
 - Common practice to muzzles on public transit
- **What happens if you are turned away from Flying with your SD?**
 - If you believe your rights under the Air Carrier Access Act are being or have been violated, ask to speak with a Complaints Resolution Official (CRO). A CRO is the airline's expert on disability accommodation issues. Airlines are required to make one available to you, at no cost, in person at the airport or by telephone during the times they are operating.

MobilityDog advances FUNctional independence for people with disabilities through service dogs, education, and empowerment.
